ICC FOOTBALL

The Itawamba Community College football program went to the playoffs for the first time since 2013 after the MACJC announced that East Mississippi Community College was not eligible to participate in the MACJC playoffs due to the NJCAA ejection policy.

The Indians (6-2, 4-2 MACJC North) originally finished third in the division just missing the playoffs, but moved into the vacant playoff spot and travelled to Mississippi Gulf Coast Community College October 31. The season ended with a 49-17 loss to MGCCC.

Five players earned MACJC North Division All-State First Team honors. Lineman Allen Byrd of Meridian and wide receiver Grant Kimberlin of Southaven were named first team on the offensive side of the ball, while Terrance Jones of Bruce, Quinn Tiggs of Tupelo and Daniel Johnson of Coldwater represented the Indians on defense.

WOMEN'S BASKETBALL

After a wild conclusion to the regular season, the table was finally set for the 2016 Mississippi Association of Community and Junior Colleges (MACJC) Basketball Tournament to be held February 22-25 at the Davis Event Center on the Fulton Campus of Itawamba Community College.

Itawamba Community College earned the hosting rights of the tournament after the Lady Indians (18-5, 10-2 MACJC North) earned their third North Division crown under the director of Coach Nanci Gray.

The Lady Indians battled East Central Community College in the MACJC Women's Championship Game and despite their efforts, fell 75-63. They were in a back-and-forth battle early in the title game, and trailed by only one, 18-17, at the end of the first quarter. The Lady Warriors would hold on to the three point advantage over the final minutes to hold a 38-35 lead at the break.

The Lady Indians trailed by six at the end of the third quarter, but Jabria Pounds (Nettleton) hit back-to-back three-pointers to start the fourth and to cut the lead to 54-51. However, the Lady Warriors would extend their lead in the final frame to pick up the 75-63 win and the MACJC Championship.

Despite the loss, the Lady Indians' season was not over, as they went on to compete in the NJCAA Region 23 Tournament.

MEN'S BASKETBALL

Indians end season with 70-67 win over MS Delta

Itawamba Community College and Mississippi Delta Community College's men's team finished the regular season an intense showdown Monday night, and the home team Indians held on to win a 70-67 thriller.

The Indians (13-10, 6-6 MACJC North) led by as much has 10 in the first half and held a nine point, 34-25, advantage at the break.

For most of the second half, the Indians stayed on top, but the Trojans (11-11, 3-8 MACJC North) rallied and took their first lead of the contest on a slam dunk with 3:04 remaining. The team traded baskets, but two Quenten Taylor (Edison, GA) jump shots and a Howard Thomas (Brandon) put the indians head by three, 68-65 with 20 seconds left on the clock.

Delta would pull within one again, but Taylor hit a pair of free throws to extend the lead to three once again. The Trojans threw up a three-pointer in the closing seconds, but it was off target and Thomas grabbed the rebound as time expired to secure the 70-67 Indian victory.

Barri Hill (Jasper, Al) and Taylor led the Indians with 12 points each and Travon Harper paced the Trojans with 20 points.

Get involved. Students find out quickly that this is more than just a phrase. It's coming together despite differences. It is finding a common goal and sticking to it. It's finding out who they are and who they are meant to be. Involvement gives students a chance to take a break from hectic schedules and stress to receive the full college experience. The memories made here stick with each student throughout their lives. Because ICC has such a welcoming environment, many students refer to this beloved place as home.

Choir and Chamber Singers

The Itawamba Community College Choral Division of the music department consists of two ensembles – the ICC Chorus and the Chamber Choir. The ICC Chorus is made up of students from many different majors who like to sing, want to learn more about music and who are willing to work with a great group of students to represent ICC. To be a member of the chorus you have to be able to sing on pitch and blend with other singers.

The Chamber Choir is made up of students who are able to sing more difficult music and are willing to work to perform it at a very high level. Members of the Chamber Choir are selected by audition from the membership of the ICC Chorus. The groups are led by Karen Davis and Robert Taylor, along with accompaniment by Jeff Myers.

CenterStage is ICC's pop show group featuring vocals, choreography and a live band. This group represents ICC at numerous public functions and serves as a major recruiting tool for the area high schools. Members of CenterStage are talented vocalists and instrumentalists who are chosen through an audition process in the spring. Potential crewmembers are also interviewed and recruited in the areas of sound, lighting, costuming and much more. Not only do the members of the group receive training and experience in the performing arts, but they also learn the value of working together as a team.

This season's show was themed "Rythmn Remix", featuring a variety of songs from "Best Day of Life" and "Locked Away" to "Peace Like a River" and "Stormy Weather". Members include, Davianna Pulliam, Georgia Conner, Kelli Aurell, Marilyn Ramirez, Layla Taylor, Kayla Mattox, Saydee Moss, Matthew Kelly, Theo Boyd, Jon Hudson, Aaron Tomes, Stephen Funderburk, Ben Watson, Nick Hardin and J.T. Profiles Division

86 President Mike Eaton

Itawamba Community College's tradition of pride, service and excellence continues, but the best is yet to come.

There's much to be excited about…the College has earned recognition as one of the most affordable in the nation…an exciting five-year plan that will put a new face on the Tupelo Campus…a sizeable grant that will enhance efforts for a healthier ICC…and significant new initiatives that will reinforce the College's footprint in the region.

AffordableColleges.com, a newly-launched website, ranked ICC, which has an average in-state tuition of $2,100 per semester and a 51 percent institutional financial aid rate, 43rd in the nation. Providing affordable and accessible education is a significant component of the College's mission, and national recognition of that endeavor is an indication that we are fulfilling that mission.

Within the next five years, heavy equipment and construction crews will reshape the Tupelo Campus. The demolition of a faculty house and structures that have housed technical programs and the physical plant will provide space for a general academic building that will include a commons area, food service, classrooms and administrative offices. Renovation of the technical education building will enable students to utilize state-of-the-art laboratories which will be located there. Our desire is to make the Tupelo Campus a better place for faculty, staff and students and to give the campus a much-needed facelift. In addition, a FEMA grant will make it possible to construct a 21,000-square-foot band hall with a safe room on the Fulton Campus, which will provide better accommodations for the ever-growing All-American Band as well as a facility that will enhance the College's endeavor to protect its ICC family.

An eighteen-month Blue Cross & Blue Shield Foundation grant will enable the College to provide expanded health and wellness opportunities not only for our faculty, staff and students, but also for those in K-12 as well as in our community.

Initiatives such as dual-credit, mini-terms and the summer bridge program (LEAP) coupled with the innovative centers for Advising, Writing and Student Success will enhance ICC's efforts to ensure that students receive an unparalleled educational foundation.

Serving as the president of Itawamba Community College is both an honor and a privilege. On behalf of the College, thank you for the opportunity to provide a place that thousands of students call home each year. I join the other members of the ICC family in celebrating our success this year and looking forward to a future that will continue our legacy.

This year at ICC

2015-16 were great years for ICC! We were ranked sixth among the nation's best community colleges by the national polling group, WalletHub. The College was also named as one of the nation's top 150 community colleges by the Aspen Institute College Excellence Program in both 2015 and 2016.

Another big announcement for the College was that beginning with the December 2015 graduates, ICC students gained the opportunity to receive their associate's degree with only 60 credit hours.

The College hosted several concerts, including Jason Crabb in December, which was sponsored by the ICC Alumni Association, and the annual bluegrass concert in March at the Davis Event Center, which benefited the ICC Foundation.

The ***2016 Mirror*** is the result of many hours of dedication and hard work by the staff members. In early fall, we began the process of choosing a theme for this year's publication. "Capture the Moment" was chosen as a way for each student to reflect on their time at ICC. The theme was based around the idea of how photographs have captured our memories for many years through a variety of mediums, including film, Polaroids, etc.

After chosing to produce our publication in a horizontal, "coffee table book" design (a first for our college), layouts were carefully designed and photographs were chosen for each two-page spread of this 152 page yearbook. The staff completed their assigned spreads and these pages were then submitted to our publisher based on four deadline dates.

We were excited to have the opportunity to work with Walsworth Publishing this year to produce our annual publication. Once our pages were processed at the plant, we received printed proofs for review. Revisions were made as needed, and returned for final printing.

We, the editors, would like to thank Walsworth for all of their assistance, and our fellow staff members for their work. Thank you also goes out to our advisor, Kim Wiygul-Williams, for helping us to meet our deadlines to produce a quality product, and for her photographs. Much appreciation also goes to Lee Adams and Maggie Caldwell for their photos, to Adam Gore for athletic information and stats, and to the entire Community Relations department for their support.

Our staff t-shirts this year had the hashtag, #MessWithUsAndWeWillSpellYourName-Wrong. All in good fun, but we would like to express that we worked hard to provide you with a book that will always fondly remind you of your time at Itawamba Community College, and "Capture the Moment"!

Sincerely,
Holly Kight
